Anyone could be tempted by the idea of waking to the sun peeking over green hills into your own secluded cottage with just the sounds of birds or cattle gently lowing to start the day. That's just what you get at Athlone: a gorgeous country experience, in a beautiful region that is also blessed with some great gourmet experiences.

There's the choice of two cottages dreamily situated by a lake that are separate enough for privacy, or close enough to share between

friends. Cheerfully decorative, and kitted out with all you need for cooking, the emphasis is on spaciousness and country elegance whether relaxing on the verandah while taking in the view or barbecuing up a feast. Or there's the even more secluded Studio with its open-plan layout and lovely view, making it perfect for a couple.

Take a walk on the fully-operational cattle farm, make use of the tennis court or swimming pool, try trout fishing in the lakes, order a wine and cheese platter or have lunch at the nearby Tea Rooms at Yarck (highly recommended). Or, just enjoy the serenity at Athlone.

Location: 130 km or two hours northeast of Melbourne. Map 4. Melway X928 A1.

Facilities: Three cottages: two with two bedrooms (king, twin single), one for a couple. Each with living area (gas fire, TV, stereo), kitchen, bathroom, AC. BBQ. Use of swimming pool, tennis court. Full breakfast provisions provided; wine and cheese platters available.
